

# Hydromist 55

**Spray extractors ideal for large area carpet cleaning in conference centres, hotels and offices.**

**Choose the model that best suits your needs and budget.**

**The Hydromist 55/400** is the professional's choice for those tough, large area carpet cleaning jobs. The combination of an in-line heater and variable spray injection up to 400psi gives fast and efficient removal of embedded dirt and stains, leaving carpets fresh and clean.

**The Hydromist 55/100** is the economical way to clean large carpeted areas that are subjected to normal, day to day foot traffic, spills and stains.

**Both Hydromist 55 models feature:**

- Powerful twin 2 stage vacuum motors that provide excellent solution recovery and minimises drying time.
- Heavy duty stainless steel wand for added durability.
- Optional tool for cleaning upholstery and curtains.
- 55 litre solution tank to maximise cleaning capacity.
- 5400mm water lift.
- 6m hose allows easy cleaning of large areas without moving the machine.
- Integrated loading wheels for easy transportation.

## **Wand details**

- Choice of single or twin spray nozzle cleaning wands.
- Upholstery tools.

**Independent switches for motors, pump and heater**

**Variable spray injection up to 400 p.s.i on 55/400 model**

**Convenient accessory storage**

**Large solution and recovery tank openings for easy tank filling and cleanup**

**Large transportation wheels**

**Integrated loading wheels**

#### Technical Specification

Model		Hydromist 55/100	Hydromist 55/400
