

Valet Upright Vac & Valet BackPack

These commercial upright and backpack vacuums are ideal for commercial cleaning in offices, schools, hotels and education facilities

Valet Upright Vac

- 30 cm cleaning path
- Commercial strength metal brush roll for performance and durability
- Up to the edge cleaning
- 3-stage filtration system, including vacuum bag, primary filter and HEPA filter, ensures only filtered air is passed back into the room
- 3.6 m cleaning reach with the easy to use Quickdraw wand, ideal for cleaning stairs and hard to reach areas
- Aluminium telescopic wand for added durability
- Easily accessible on-board cleaning tools including crevice tool and dusting brush

Valet BackPack

- Ideal for small areas such as theatres, buses and trains
- Ergonomic back support and harness positions unit away from operator's body and comfortably supports machine on hips
- 4-stage filtration system
- Dust bags for clean and tidy emptying
- Telescopic wand and easy-glide floor tool for effortless vacuuming
- Complete tool kit included
