

Multiwash II

Multi-purpose floor cleaning machines that wash, mop, scrub and dry on both hard and soft floor coverings in one single pass.

IDEAL FOR FOOD SERVICE AREAS HOSPITALS NURSING HOMES RETAIL PREMISES SCHOOLS

- High-speed productivity
- Highly effective on "difficult" floors including:
 - non-slip safety floors
 - low pile carpets
 - escalators and travelators
 - entrance matting
- Leaves floors ready to walk on in minutes
- Quiet in operation, ideal for daytime cleaning
- Available in different cleaning widths - 24cm, 34cm
- Ideal for cleaning tiled floors and grout as rotary brushes scrub the grout lines clean
- Accessible and removable tanks for fast filling, emptying and cleaning
- Choice of brushes for normal, maintenance cleaning or intensive scrubbing
- Brushes can be removed without tools
